#### RETURNS AND EXCHANGES

New, defective, and unaltered merchandise will be accepted for a refund or exchange up to 90 days after the date of purchase. Simply use the prepaid return label enclosed with your order, and drop your return at any post office or give to your mail carrier. We will deduct \$8.95 from your credit to cover shipping charges. If, however, you are making an exchange, shipping is on us. (We will not deduct \$8.95 or charge shipping on your new item). Allow 14 days for us to receive and process returns and credits. We cannot accept returns or exchanges on 50% or more off regular prices.

#### YOUR RIGHT TO PRIVACY

Occasionally, we make our customer list available to carefully screened companies whose products may be of interest to you. If you prefer not to receive such mailings, or if you want to remove your name from our mailing list, call toll-free 1-877-937-8767.

#### OUR 100% GUARANTEE

At Westport Big & Tall, your complete satisfaction is always guaranteed.

If you are not happy with your purchase for any reason, please return it (in new, unaltered condition please) within 90 days. We will gladly exchange it or refund your money.

#### HEMMING OPTIONS

All dress slacks, suit separate slacks and some casual pants are shipped with an open unfinished bottom. We will gladly hem slacks free of charge, however, **altered slacks may not be returned for credit or exchange.** We suggest you try on slacks before alterations are made to ensure a proper fit. If hemming is required, we need the inseam measurement. To determine your inseam, lay a pair of good fitting slacks flat across a hard surface. Measure from the crotch seam to the bottom hem of the slacks along the inside seam of the leg.

#### SIZING INFORMATION

Follow the measuring instructions on this page. Our staff will assist you if you need help determining the correct size. Because this chart represents general guidelines, your individual measurements may vary from ones shown.

#### HOW TO MEASURE FOR SIZE

**NECK** — For collar size, measure around your neck, keeping two fingers between the measuring tape and your neck.

**CHEST** — (Use for suit or jacket size.) Measure over a shirt. Tape should be up under arms and straight across the shoulder blades.

**SLEEVE** — With your elbow bent, measure from the middle of your back, directly below the neck, across the shoulders and elbow to the wrist. Total inches is your sleeve length.

**WAIST** — Measure over shirt at the point where slacks are normally worn.

**INSEAM** — Lay a pair of good fitting slacks flat across a hard surface or table. Measure from the crotch seam to the bottom hem of the slacks along the inside seam of the leg.
